KYOTO - DUSKY HAZE

Item Code: **KYO2**

Tightly woven linen and wool bouclé are creatively combined in this artisanal fabric. The ground cloth is completely unbleached and undyed, so slight natural colour variations occur with each flax crop. Woven flat and stonewashed to create a unique three-dimensional structure this robust textural design has a full-bodied drape and is suitable for heavy upholstery. Certified Masters of Linen Kyoto is designed to complement the Nara design perfectly.

European Flax, Masters of Linen Certified.
